

A dream:  
 We donate 500 books  
 to all schools  
 at secondary level  
 in Bhutan

**Testimonial from His Excellency Lyonpo Dr. Pema Gyamtsho, Minister, Ministry of Agriculture, Royal Government of Bhutan and President, Bhutan Swiss Friendship Association:**

*“Far Apart and Close Together” is an apt description of the ties between Switzerland and Bhutan. The book bears testimony to the close cooperation between Switzerland and Bhutan for the cause of socio-economic development in Bhutan. The many joint endeavors in the form of projects in fields as varied and specialized as bridge building, health, education, entrepreneurship and renewable natural resource management are well documented and provide a clear insight into the start and growth of a joint engagement in Bhutan.*

*This book is a valuable record that will be beneficial for the next generation to understand the unfolding of more than five decades of hard work, mutual respect and close partnership that defines the Swiss-Bhutan relationship. We would be very happy to have this book as reference study for students at secondary level.”*

**The Society Switzerland - Bhutan is now looking for generous donations to finance up to CHF 20 000 in total** (sales price CHF40.00; i.e. production cost less 25%).

Let a dream come true. Let us happily and proudly donate with your financial support 500 books to the Ministry of Education in Bhutan. Till August 1, 2009, we have already collected CHF 5200.00. Please indicate below the applicable item.

Many thanks! We will gladly issue a letter testifying your donation.
